- 25X1A \* Comment. The trains were possibly carrying units of the 95th Gds Mtz Div to and from the troop training grounds. The report confirms that the units of the division alternated in going to Doellersheim for training in 1951.

- 25X1A \*\* Comment. The [REDACTED] seen at Kattner Settlement are assigned to the 9th Gds Ftr Div, while the vehicle observed in the town belongs to the 95th Gds Mtz Rifle Div.
